About the Ulrich Museum of Art

The Ulrich Museum of Art is a leading center for the study and presentation of contemporary Indian art. The museum's collection includes over 1,500 works by artists from the United States and Canada, including major figures such as Alex Janvier, Norval Morrisseau, and Emily Carr. The museum also features a comprehensive research library and a variety of educational programs, including internships, workshops, and lectures. The Ulrich Museum of Art is located in Wichita, Kansas, and is part of Wichita State University. The museum is open to the public and admission is free.
