scenario 1scenario 2& scenario 3

- about what this second part canused for; budget scenarios 13 consider different possibilities; furloughs are possible
- x David Miller gavea PowerPoinpresentation of the Y 21 budget he commented that the things are changing very rapidly, that ill looking for input from the Senate afactulty

x Overview

- O Currently at point in the budget cycle when department iabout their budget requests are sibmitted, them in the budget cycle when department iabout their budget requests and approve.
- o Tantig with o
- o FY 21 bu

responded that President Golden is sensitive to this issue
o Follow-up question: what do we do if the 2.5% tuition increase is not approved? David Miller responded that the effect of funds from the CARES Act [to the saity] has not been taken into acount because there is no real guidance yet. If the SARE funds can be used, then it may help one time wever, we need to understand what is eligible [under the CARES Act] Provost Muma commented that WSU has received the first half of the
CARES Actfor \$4.4 million [to be used for domestic student support], but have not yet received the second half for \$4.4 million nor guidance about what it can be used for ls budget reduction proportional to each division's budget? David Miller responded that yes, but some items like electricity [and others] are the same and cannot be reduced
o Follow-up question: any modeling of electricity costs going down because we are not on campus? David Miller responded that physical plantbleæs improving energy efficiency and weather has been helpful too; however, if we phane reduction then we may have trouble if a contingency comes up; Lois Tatro commented that some of this has already

been swept up

- Would the Foundation be able to help? Provost Muma responded that there is no active push to get such support, only for student support
- o Is there support for international students? Provost Muma commented that the CARES act [from the federal government] is not available for international & undocumented students, but the Fandation is helping in this area [international & undocumented students]
- o Could the Foundation help with nombudent part of the budget? Provost Muma responded that the Foundation & donors are facing many of the same is rest of the community] and a new effort asking donors is difficult
- Can the pay increase of \$100k [for the President] be deferred? Provost Muma clarified that
 that this is actually not an increase but what was negotiated by the Presidentathyd alre
 agreed to as his starting say at the time he was hired
- o Does across theoard decrease include Athletics? David Miller responded yes

Senate President Jarman

PresidentGolden's Townhall

- x Next Townhall will be on 8 May
- o Main issue will be the return to campu \$but other issues make discussed)
- o Please povide input / suggestiorfor other items to be discussed
- o There is also a potential for an additional Townhall at the end of the mon
- x Return to campus
- o There are seven group stational in the seven group station of the seven g

o Follow-up question was asked whether a course could consist of half fully online students and half traditional or remote students; response by Provost Milumauld not be possible to have half the students be fully online with other half tradition to have half the students be fully online with other half tradition to have half the students be fully online with other half tradition to have half the students be fully online with other half tradition to have half the students be fully online with other half tradition to have half the students be fully online with other half tradition to have half the students be fully online with other half traditional tradition.
