

**Jennifer Nguyen** is an alumnus of TRIO S den S o Service (SSS) at Wichita State. Originally from Vietnam, Jennifer graduated high school in 1978 but didn't enroll at WSU until 1996. Once there, she majored in industrial engineering and founded the S den S o Service program. She worked full time and raising three children when she decided to drop out. She had the idea that the SSS could help her achieve her education goals and decided to re-enroll. Jennifer received her undergraduate degree in mechanical engineering and finished her bachelor's degree.

She completed her thesis on "The Effect of Temperature on the Mechanical Properties of Polymers" and received her M.S. degree in 2013. She is currently working as a research assistant at WSU.
